Solutions

Professional color matching: Lexmark Named Color Replacement and PANTONE® calibration make it easy to develop a consistent brand image by accurately matching your colors.

High resolution graphics: With up to true 1200x1200 dpi resolution, images and graphics stay crisp. Lexmark's Unison™ Toner ensures consistent quality, too.

Super fast and quiet output: Quickly print, copy and scan up to 32 pages per minute in black and color, plus produce a 1-page color document in as little as 11.5 seconds.

Maximum productivity. Minimum fuss.

Using a multifunction printer is easier than you think. Our system's easy-to-read touch screen saves steps with the press of a button, so you can focus more on business.

Reliable high performance: Easily print up to 7,000 pages a month, plus enjoy fewer maintenance hassles, thanks to our state-of-the-art paper handling.

Run larger jobs without interruption: With an input capacity of up to 1,450 sheets and an extra high yield toner cartridge options, you won't have to add paper or change cartridges as often.

Smart touch screen and USB port: The vibrant 7-inch color touch screen provides access to easy-to-use preinstalled productivity solutions. There is a convenient front USB port, too.

Innovative toner that optimizes performance: Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first print to last.

**Productive workflows.
Sustainable design.**

Quickly respond to changing business needs with our eco-friendly printers that help streamline your workflow using productivity solutions.

Work smarter not harder: If you can use a mobile phone application, you can use our pre-loaded solutions. Touch screen and access shortcuts make it faster and easier to scan, print or send faxes, emails and other business critical documents.

Enjoy enterprise-level security: Now you can authenticate, authorize and audit employee usage-plus protect sensitive data using standard network security protocols.

Save resources and the planet: An instant warm-up fuser, built-in 2-sided printing®, plus Quiet, Hibernate and Eco modes minimize noise and save paper and energy.

Print anytime and anywhere⁶: With this system, you can print from desktops as well as mobile devices that can run applications.

CX510 Series printer features

¹ Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798. ² "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ³ "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ⁴ Print and copy speeds measured in accordance with ISO/IEC 24734, excludes first set of test documents. For more information see: www.lexmark.com/ISOspeeds. ⁵ Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. ⁶ For more information on Lexmark Mobile Solutions see: lexmark.com/mobile ⁷ Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁸ Duplex (2-sided printing) models are ENERGY STAR compliant.
