Product Description

The iPad opens a whole new world of hands-on learning for kids. However, sensitive electronics like the iPad Air just weren't made to withstand the punishment kids can dish out. The Kensington SafeGrip Rugged Carry Case & Stand wraps the iPad Air in a tough, padded case complete with screen protection. It also has a thick, sturdy handle that's perfect for kids' hands, plus a built-in stylus holder and personalization pocket.

Features

- Tough, padded protection against drops and bumps
- Built to survive the shared-use school environment
- Screen protector helps prevent scratches and smudges
- Handle is sized for kids and prevents drops
- Handle doubles as a stand with type and view modes
- Built-in stylus holder and personalization pocket
- Preserves access to all ports
- iPad not included
