

HP Slim Bluetooth Keyboard (H4Q44AA)

Overview

The HP Slim Bluetooth Keyboard is a thin and light wireless keyboard that helps you type comfortably without cables getting in the way. Use it with your laptop or tablet at the office, at home, or wherever you work best.

Get fast and convenient access to multimedia features with one-touch hot keys.

Low battery indicator alerts you when you need to change batteries. Sleep button hot key helps you conserve energy and extend battery life.

Move around the desk where you need it, up to 10 meters from the paired PC. Pairing indicator tells you when you're synched.

Get the peace of mind of a one-year limited warranty. Additional support is available (North America only) seven days a week, 24 hours a day by phone as well as through online support forums.
